Dear Parents / Carers,

TAPESTRY INFO, PASSWORD & INSTRUCTIONS FOR USE

Tapestry is an on-line learning journey recording your child's early years and time at Stepping Stones Pre-school. Your child's Key Person will upload photos of your son/daughter taking part in the various activities we enjoy at Stepping Stones along with observations and assessments to ensure that your son/daughter is making progress. Tapestry is designed for **you** to include photos, comments and observations from home and when you are out and about. It is a great method of sharing information and the more photos etc that you upload then the more complete picture you will have of your child's early years in years to come. When your child leaves Stepping Stones we will put all of this information onto a CD for you to keep. So please do add to it regularly and through school holidays etc.

When we have activated Tapestry for your child you will be sent an **activation link**; please follow the instructions to set your own password for the account. Please also ensure that we have a valid email address to link with your Tapestry account.

To access Tapestry via a laptop/PC please enter <https://tapestryjournal.com> into your browser.

If you have already used Tapestry your password will remain the same.

For help in using Tapestry there is a Tutorial at <http://eyfs.info/forums/topic/46915-introductory-walk-through-browser-overview/>

We also have specific instructions for Android and iOS devices (mobile phones/tablets/ipads, etc).

When you access Tapestry, please fill in the 'All About Me' section so that we can complete your son or daughter's profile.

We would also like to remind you of Stepping Stones' policy for using Tapestry, which is there for your protection and the protection of others. It is important that you do not upload ANY images to social networking sites or your account will be blocked. We take these issues very seriously.

We look forward to sharing information with you via Tapestry and seeing your comments and photos from home!

Kind regards
Staff at Stepping Stones
